

# Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 6 November 1956

FROM : Chief, Administrative Training Branch

SUBJECT: Weekly Report, 30 October - 5 November

25X1

1. Mr. [redacted] spoke at Basic Supervision.

25X1

2. Miss [redacted], WE, was given special tutorial training in  
cable writing, dispatches and field travel. Miss [redacted] will receive 25X1  
her finance tutorial training after she returns from two weeks of Commo  
training.

3. The paper on Clandestine Communications prepared by Mr. [redacted] 25X1  
was made available to us. This has been compared with the communications  
as currently taught in Operations Support. If possible, when changes  
are made in tradecraft theories as presented in the Operations Course,  
it would be exceedingly helpful if this information could be made available  
to the Administrative Training Branch. There are certain differences as  
outlined in the OTR training film vs the Basic Tradecraft Manual. We have  
not been able to determine whether this has been cleared with the DD/P as  
to the theory they wish to have presented.

25X1

4. Mrs. [redacted] has completed Basic Supervision.
